

Team name: Small Dogs

Team members: Mitchell and Hailey

What is your targeted modality (visual, auditory, or kinesthetic) : Auditory

What source(s) did you use to determine characteristics of your targeted modality?:

Mind Tools Editorial Team. VAK Learning Styles: Understanding How Team Members Learn. Retrieved February 03, 2017, from <https://www.mindtools.com/pages/article/vak-learning-styles.htm>

What is a characteristic of your modality	How did you use this characteristic in your digital creation?
Musical presence helps students stay engaged	We were sure to use an intro and outro jingle
Clear speaking voice	We spoke clearly in the recordings
Jokes help auditory learners stay engaged	We joked around in the project
Conversations help auditory learners process information	The entire project was a conversation between two people
